Annual Holiday Gift Guide

* A gift to the earth as well!

For Him

POWDERHORN LONGHORN BOXER*
The revamped skiwear company from Jackson Hole has one of the sweetest homes on the outdoors market. 100% alpaca, naturally hypo-allergenic. \$50, www.powderhorn-world.com.

BONFIRE ARC PANT
Wear these from sun-up to sundown and with every activity in between. Waterproof, fully sealed seams, precise waist adjustment tabs, heel dragger protection, classic and straight fit, in-seam venting, thin Trest lining at knees and butt for extra insulation, cargo and tool pockets. \$175, www.bonfirearc.com.

MOUNTAIN HARDWEAR BACKCOUNTRY PINNACLE JACKET
Bombproof, waterproof shell with stretch. Articulated sleeves for range of motion, chest high pockets to accommodate a pack and sportlight plucks make the Pinnacle the backcountry 4-season jacket of choice. One-handed hood and hem drawcords for on-the-fly cinching and micro-chemical lined chin add a touch of comfort. \$300, www.mountainhardwear.com.

TIMBERLAND WINTER PARK SLIP-ON BOOT*
Kick off the ski gear and slip on these stylish boots for apres and beyond. Full-grain, seam-sealed waterproof leather keeps feet dry in wet conditions and a SmartWool lining naturally regulates temperature and wicks moisture. \$150, www.timberland.com.

PATAGONIA NOMAD GTX*
This is more like a hiking slipper, it's that comfortable. Built for sustained backcountry hiking, the Nomad is indifferent to weather. Full-grain leather with a Gore-Tex barrier for waterproof/breathability and a dual-density recycled polyethylene/polyurethane insole for lateral support, and the fast-drying, quick-drying Outskin lining has natural odor control. \$160, www.patagonia.com.

PATAGONIA DOWN SWEATER PULLOVER HOODIE*
Ultra-light, windproof, water-resistant recycled poly shell and lining stuffed with European goose down for the sweater that's so much more. Deep center front zip for ventilation and easy on/off with a helmet, pass through hammock pockets with zippered kangaroo pouch pocket for secure storage that doubles as a stuff sack. \$240, www.patagonia.com.

INDIGENOUS DESIGNS SNOWBIRD MOCK NECK SWEATER IN GREZZLY*
A cool mix of PETA-certified Natural Alpaca and Eco Wool. This men's sweater is so natural no dyes were used, just different shades of fiber! A winner for the eco-aholic. www.indigenousdesign.com.

MEN'S POLARMAX PHASE 4 XGO PANT
Micro-brushed, technical face performance fleece that'll keep you snug, warm, and dry all day. Flat-seams, easy-wash care and guaranteed not to pill. Also treated with scent prevent anti-microbial. \$50.

KAENON POLARIZED Balsa SUNGLASSES
Winning races from the underground, Kaenon's proprietary SR-91 lens - not glass, is polycarbonate - is lightweight, optically pure impact and scratch-resistant, with a dark tint for bright sunny days on the hill. Balsa fits S to X. Larger faces should check out the X09R. \$150, www.kaenon.com.

KEEN ARROYO
The trail shoe/sandal hybrid gives you that hard-land walking support with the openness and breathability we all love from a sandal. Washable, waterproof leather, torsion stability, shank, anti-microbial lining, shock absorbing heel and non-marking, carbon rubber lugged outsole. \$100, www.keenfootwear.com.
